❖ Summary

Motivated and results-driven B.Tech Computer Science student with proficiency in C, Java, HTML, and CSS. Strong experience in Full Stack Development using Spring Boot and Flutter. Skilled in Git & GitHub for version control and familiar with modern development tools. Eager to contribute to innovative solutions and continue learning new technologies in a fast-paced environment.

❖ Technical Skills

Programming

- Proficient: C, Java, HTML, CSS
- Familiar with JS & Python

Frameworks & Tools

- Spring Boot and Flutter
- Version Control : Git , GitHub

Development Tools : IntelliJ IDEA, VS Code

❖ Projects

Feedback Management System

- Developed and managed a feedback system that allows users to submit and track feedback, providing insights and improving user interaction with services. Utilized **Java** for backend logic and Data Stored in **Temporary in List** .

Food Order Management System

- Designed a scalable backend architecture for a food ordering platform. Implemented RESTful APIs using **Spring Boot** and integrated **H2 database** for data storage.
- Managed user authentication, order management

Social Network App

- Cross Platform app with flutter framework.
- Developed a social networking app using **Flutter** for front-end which allows user to create his profile and discover data also chat with friends.

Dynamic movie search App

- Cross Platform app with flutter framework.
- Develop a app which is take data from IMDB and shows the result accordingly.

Crick Age

- Ongoing Project
- Developed a full-stack cricket age mobile application using Flutter, featuring a user-friendly interface and seamless user experience.
- Utilized Flutter's widget-based architecture to build a responsive and interactive user interface
- Integrated online MongoDB repository for storing and managing user data, ensuring scalability and high performance.

❖ Education

Bachelor of Technology (Computer Science)

- Dr. C.V. Raman University Bhagwanpur, Vaishali
- 4th Year (7th Semester & Expected Passing Year 2025)

Intermediate

- Lakshmi Narayan H.S College Bhagwanpur, Vaishali
- 2021

Matriculation

- Adarsh High School Sarai, Vaishali
- 2019

❖ Certificate

C Programming Language – National Programme on Technology Enhanced Learning (NPTEL) Silver Medalist
